

June - 20 Years - Continued

In June I received news of a new grandson,
Do you know how wonderful that was?
Then I found out it was a girl,
And a girl is just what I needed.
So Son-in-law and I were overjoyed,
Branching out into a new world,
This time we had a daughter,
Princess and she was so sweet,
To call her a girl was a dream,
For then we had a girl,
Do you know how wonderful that was?
For and I was so happy,
My daughter was born,
As if she were a girl.
