Dear Herman,

Thank you for your letter written in August. I was very surprised to receive inquiries about my Thiessen relatives from someone in Germany.

Just recently I found out that my neighbor is the grandson to Jacob Thiessen. He had the information on the other side. All I have of Maria (1873) is the picture and that she was married to John Kuter.

We lived in Brazil for 15 1/2 years as missionaries and during that time ⁽¹⁹⁶⁹⁾ visited friends in Paraguay. We were able to also contact my mother's cousin, Justina Thiessen ⁽¹⁹⁰⁷⁾ married to a Mr. Falk. She is still living.

I trust this will be of some help.

Sincerely,

Marjorie Hildebrand
