Dear: Ed

I'm interested in Maria  
Therese who married  
Daniel Brandt, I'm  
interested in their  
family as well.

I'm interested in  
Daniel's second marriage to  
Anna Wesen as well +  
their children as well.  
Could we photo copy  
pictures of relatives as  
well, this makes the  
family tree more  
interesting.

Maria is mentioned in  
my family tree as well.  
I list the information  
from you, so we both  
need ~~informat~~  
information for 1995.

I think Peter Wesen  
had step children  
Marie who married  
Daniel Brandt? This  
needs a lot of searching?  
Any pictures of Daniel  
+ Marie, could be  
photo copied.

How are we related,  
a cousin? Very pleasing.
