Dear Herr Thiessen:

Could I bother you once more? Further to my ancestry to which you so kindly replied last Dec 3, 1997.

I have contacted a Canadian researcher by the name of Henry Shapansky from New Westminister, B.C. He has provided me with a copy of the enclosed baptism entry in the Tiegenhagen Church of Prussia dated June 4, 1815 at which my last known ancestor, Jacob Wieler (1794) has a father shown as Clas Wieler from Blumenort. This might be related to the same Claas Wieler you thought was born in 1761 and was listed as being in Altendorf in 1776 with his father also a Claas Wieler..

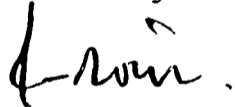

Would you have anything at all on Wielers living in Blumenort, Prussia?

Shapansky goes on to outline who he thought was the ancestry line as being Bernhard or Behrend Wielers. Copy enclosed.

My second question to you is do you have anything more on the family name of Bernhard or Behrend Wieler such as dates of birth, death, marriage, wives names and brothers and sisters other than what Shapansky shows?.

You were not feeling very well the last time you wrote to me and I hope your situation has improved from that time. My very best regards to you and I sure appreciate whatever help you may be able to provide me. Please note my change of address.

Yours very truly,

Erwin Wieler
