

I've been searching for
their spouses dates +
their children (to) and
~~get in contact with~~ and for
to births + how locations
as well. People to write to.

Thank you for your letter
I'll send 100 DM in the
mail, for this book.

Information on
Bartholomäus Ziegen
is interesting in 1633.

I've been researching
since 1989 on the Ziegen's.

Do you know any addresses
in Holland, Germany that
I can write to.

I've joined a genealogy
society but the best any
one has done is 1740.

⊙ How the Ziegen name
changes so much as well.
