(liver cancer)  
+Sep.10,1991 Vineland,ON

She contracted polio in the fall of 1939 in Leamington & was  
in an iron-lung for a while. She remained paralysed from the  
waist down. She acted as an answering service in Niagara-on-  
the-Lake for the police & fire departments. She was fairly  
active in her own way in the Vineland Mennonite Home in lat-  
er years where she had a typewriter & a power wheelchair.

She was an avid bird-watcher.
