Dear Friend or Relative:

I am interested in gathering the history of my family Klippenstein. My earliest three generations are given above. I am trying to find the parents of any of the above ancestors; also any additional information concerning them.

~~I need your help for information on your branch of the family. It may be that your family connects with mine. Please write the information that concerns your family on the reverse side of this sheet and return to me as soon as is convenient.~~

If you know other persons who may be able to assist in this search, I will appreciate having their names and addresses (~~write them at the side~~).

If you are interested in the history or records of these families, I would be glad to share with you what I already have.

Thank you for your help and co-operation.

Sincerely,

Date: 9 Mar 1983
