Dear Sir / Madam:

re: Information about the following individuals:

1. Dietrich Hildebrand - born November 11, 1726
2. Peter Hildebrand - born October 9, 1762
3. Jacob Hildebrand - born September 27, 1802; died May 2, 1847
4. Heinrich Hildebrand - born August 4, 1834; died November 25, 1910
5. Isaak Hildebrand - born June 30, 1864; died April 22, 1929

I am compiling a Heritage Book of the Hildebrand's and will accept any and all information that will supplement what I already have of my Grandparents Isaak and Maria (Harder) Hildebrand.

I'd particularly appreciate any church records, landholdings, list of belongings, - in a word, anything that would reveal day-to-day living conditions.

I enclose copies of information (Pedigree charts) I already possess.

I enclose a prepaid self-addressed envelope.

Sincerely yours,

  
L. J. Hildebrandt
