4 Daughter Magdalena Klassen was apparently also known as Helena as the 1808 Census Listing shows a daughter by that name of appropriate age living with Peter Klassen Sr on Wirtschaft No 14 in Petershagen. Also listed is her husband Abraham Ensr and it is possible that the young couple was preparing to take over the farm from her parents who were already elderly.

3 The eldest son Peter Epp (1755-1802) married Maria Penner of Tiggerfelde, Prussia, in 1778. She was the daughter of Gerhard Penner and a sister to the first wife of Heinrich Epp (1757-1805) her brother-in-law. 21 The family resided in Neunhagen until 1795 when they moved to the Chertitz Colony. 22 The following year 1796 Peter Epp was elected as a minister. 23

3 The second son Heinrich Epp married three times. His first wife was Anna Penner, daughter of Gerhard Penner, Tiggerfelde, Prussia. The family resided in the City Quarter near Danzig until 1795 when they emigrated to Russia settling in the Chertitz Colony. Here Heinrich Epp was elected a minister of the Flemish Gemeinde. He also married for the second time to Margaretha Epp, apparently the daughter of Heinrich's cousin David Epp (1750-1802) Aelterster of the Chertitz Flemish Gemeinde. 24 After her death Heinrich married for the third time to Susanna Partsch, daughter of Johan Partsch one of the Gemeinde delegates to Prussia in 1788. After his death his widow married again with Jodt Teas (1794-1830).
