

Section Seven. Heinrich Bearg.

2 Henry Fast, Steinbach, Manitoba, has indentified another son by the name of Heinrich Bearg.³⁴ It appears that he was the grandfather of Albert Baerg born DEcember5, 1897. In a telephone interview with of January 18, 1989, Mr Bearg confirmed reports by the various descendants of Peter Bearg (1817-1901) that the families were somehow related. Mr. Albert Berg recalled that his grandfather Heinrich Bearg had emigratged from Russia settling in the Inman, Kansas, area and that his father Isaac Bearg (born 1866) had come to the United States in 1876.³⁵

This information is confirmed by the ship log of the S.S.Vaderland in 1876 which included among its passengers the family of Heinich Bearg age54, Helena 37, John 16, Peter14, Isaac 9, William 6, Justina 10 and Helena 3. This information is also confirmed by the 1880 census records for Superior Township, Mcperson County, in the Inman area, which lists the a Henry Bege (Bearg?), wife Christina 42, son Peter 18, Isaac 14, William 10 and Helena 8.

The name of the wife of Heinrich Bearg may have been poorly entered in the Census Records or Heinrich Bearg may have remarried. Since all the ages seem to correspond it appears that the former would be the case. In any case it would appear that Helena is the secondwife of Heinrich Bearg. The name of the children of Heinrich Bearg are given here as recalled by grandson Albert Bearg.
