The family moved to Kleefeld, Manitoba in 1874.¹²¹ Jakob Regehr married for the second time to the widow Cornelius Toews, nee Cornelia Boschman (1837-1915) of Gnadenu, Kansas.¹²²

It is noted that Cornelius Stoez (1731-1811) had a daughter Maria who married Gerhard Wiebe and emigrated to Halbstadt in the Molotschna Colony where they settled on Wirtschaft II with four grown daughters. Here she was a neighbour to Abraham Stoez Harder (1787-1844) who evidently married the daughter of Johan Heide. See Section Two cf.

18. John P. Dyck, *Bracul Genealogy (1670-1983)*, (Springside, Manitoba, 1983), 80. This seems to be at variance with Peter M. Friesen, 945, who reports that the mother of Bernhard Harder (1832-1884) was a Berg. No Baerg /Berg/ or Bergen families are listed by Unruh with a daughter Maria of the appropriate age. Since the work of Peter M. Friesen is not known for its accuracy the source quoted by John P. Dyck is accepted as correct. A similar discrepancy occurs with respect to the date of death of Abraham Harder. Peter M. Friesen, reports that son Bernhard (1832-1884) was 11 years old at the death of his father, other sources report that Bernhard was 12 years old at the time. See Gerhard Harder (1857-1931), "Mitteilungen aus dem Lebensgange des Verfassers", published as a foreword to a collection of poems written by Bernhard Harder (1832-1884).
