5 Daughter **Catrina Kornelsen** (1838-1911) worked as a maid for the Franz Janzen family and when his first wife died she married him. The records of genealogist Johan P. Friesen indicate that there were no children of this marriage. Catrina Kornelsen married for the second time to Gerhard Toews of Alexanderkron, Molotschna, the son of Gerhard Toews (1815-1873) and Elizabeth Penner (1820-1886). The family evidently lived in Pordenau from where they left for America in 1875. They settled on a property 1 and a 1/4 miles west of Inman, Kansas, where they farmed until 1908.<sup>194</sup>

5 Son **Gerhard E.Kornelsen** (1840-1919) married Agneta Fast. The family lived in Fürstenwerder, Molotschna, as several of their children were born in that village. The family left Russia in 1874, travelling on the S.S. Crimbia, arriving in New York harbour on August 27 of that year. The family settled near Inman, Kansas, where they belonged to the Bethel Mennonite Gemeinde. Two years later the family joined the K.M.B. and become founding members of the Zoar Gemeinde in Inman. In 1883 Gerhard Kornelsen was elected as a deacon of this church, a position which he held until his demise.<sup>196</sup>
