

the youngest son who is in South America
as missionaries. His name is Lewellyn & Jafala
Warkentin.

But I do not know where Kenneth the oldest son
is at.

and I have a record of aunt Marie Zielke

and her oldest daughter Evelyn (Zielke) Flaten
who are missionaries. They were in South America
for many years.

But I don't have a record of aunt Marie's youngest
daughter, Elsie. She has a big family.

I'm sorry I have not been able to get a more
complete record for you.

I'm sending what I have now and if I will
get some more within a week I will send it
right away. I'm not sending the money in this
letter there are a number that want books
but they want to know how much to send.

I sure hope this will help you, and that you
can understand what I have written.
