Dear Edna:

Uncle John called me 5/26 and said you needed information on my Father, Jacob M. Warkentien, side of the family. He said there was a book going to be made in July 1992. This is wonderful. When will this book be completed? Let me know. I have several people who would like to have one. I am interested in one too. How much will this book cost?

The Warkentien geneology is very intersting. We went to Newton, Ks. and looked up some information at the Library.

I called Uncle Henry's daughter, Ruth Ann Burke. I told her that Uncle John said you needed information on Uncle Henry's side also. Ruth Ann said she'd send what she knew. Her address is:

Ruth Ann Burke
High Point Mobile Home Park
Enid, Okla. 73703

If you need anymore information from us about the Jacob Warkentien Family, let me know. I will be more than happy to send what I know to you.

Paul and I are leaving today for my sister, Priscilla's house. If you need us we will be in Colo. Springs. You can reach us until June 7th at:

Priscilla Wilber
4660 Dapple Grey Lane
Colo. Springs, Co. 80922
ph. 1-719-550-0213

We will be coming back home to Enid around June 7th. Let us know the progress and when the book will be available.

Love and Prayers,

Mary Warkentien

Mary and Paul Warkentien

PS. Please Notice **Warkentien** in my Father's name is spelled with an IEN. Also Grandpa spelled his name with an ien. Uncle Dave spells his name with ien. The rest of grandpa's sons spell Warkentien different.
