

To: Herman

I just joined a German's
from Russia in U.S.

I wrote to Jay Hubert
who joined this organization.
He sent me some information.
He wrote to Alan Peters
in California & received
some information. I really
appreciate this.

So much to learn about my
family.

Herman, I don't read
German but only English
only.

Jay sent me your address.
Herman could you help
me with your family tree,
how it fits in with the
Thiessen family.

You wrote a book Martin
Thiessen and Seine Nachkommen
but I don't read German only
English.

Could you help me with
Martin Thiessen's family tree
in English.

From: Don Thiessen
With interest, history & the
very interested in.
