

A CHRISTMAS WISH FOR YOU, FROM US

SOMETHING SPECIAL FOR CHRISTMAS

Dear Friends and Family:

May God's richest blessings be for the Christmas and the New Year. May we remember to celebrate Jesus' birthday and enjoy his birth. The realization of Jesus being born on this earth and dying on the cross as an adult is a real feeling. I hope this year that friends and family get together for fun and warmth and enjoying each other not just this holiday but all through the year. In 1994 may Christmas be special and the New Year in 1995 be the best that life has to offer! Good health, good friends and a good home life for families to enjoy each other with love, communication and enjoy each day as it comes. Presents are good but the special time at Christmas as to love each other, laughing, talking and enjoying a good meal with one another.

This year Debbie and I got married (May 21, 1994) so we started our new life together already. Other couples got married that we knew.

We hope to enjoy your company in a special way and to visit each other as well.
