

OBITUARY OF L. NDA THIESSEN

1.1.9.14.8

Linda Thiessen was born at Gotebo, Oklahoma on November 17, 1915 and died suddenly of a heart attack at the Little Bird Nursing Home in Weatherford, Oklahoma on March 29, 1983, reaching the age of 67 years.

She was in normal health until the age of six when she was seriously afflicted with a sickness.

Linda lived with her parents until 1956 when they could no longer care for her. For some time she stayed in the nursing home at Pauls Valley, and then for many years in the Corn Nursing home. She enjoyed the Christian Fellowship and often testified and witnessed of her faith in Jesus Christ. The last few years she lived in the Little Bird Nursing home in Weatherford.

Linda once more has changed her residence. She is now with our Master Caretaker in the pearly mansions of Glory, with Jesus Christ whom she loved so dearly. One of her favorite Hymns was, "O How I Love Jesus." We may not contribute great things that she has done, but she was a champion of a Child-like Faith.

Her parents and two brothers, Arnold and John and two sisters, Martha and Mabel preceeded her in death. Her brothers and sisters living are Carrie Hooper of M. View, Oklahoma; Clara McNeely of Oklahoma City; Hilda Matlage and Ben Thiessen of Clinton; Tony Thiessen of Cordell and Henrietta Parker of California.
