Dietrich M. Warkentin used to pray in German. That's why, I as a child (John E. Warkentin), never could understand him. He used to give my Dad backrubs ever once in awhile. We kids used to go along and watch. We knew that our Dad loved his Dad, our Grandpa. We mowed lawns with him. We also used to ride with him in his old car. He would rev up the engine because he couldn't hear to well. That used to scare me. Grandma, his wife, used to give us treats all the time. She was a special Grandma.

(Anna Gunther)  
 In April of 1924, we moved to Fairview, Oklahoma, where father worked on the railroad. From Fairview we moved to Felt, Oklahoma, and then to Coldwater, Texas. After a number of crop failures we moved to Reedley, CA, August 1, 1933. Here father worked in a furniture store and later at the Reedley Lumber Company. He loved to have devotions with his family. He had the family quote Bible verses and had prayer at every gathering.
