

Barbara Isaac's father was Franz Isaac of Ellerwald.

ALL of Gerhard and Barbara's children were born in Fursenaur-
weider,
1818 Gerhard - (died buried in
1821 Gerhard
1823 a girl - (died buried in
1825 Jacob
1827 Franz

Gerhard was 46 when married in 1817 (probably born around 1772)
Barbara was 31 when married in 1818 (probably born around 1787)
He died ^{May 17, Tiege, Mo.} 1842 in Russia)

(Listed as from Furstenau)
Gerhard's family left for Russia in 1838. His children were not
listed but they were living then + went with them. The oldest,
Gerhard was baptized in the Rosenort church in early 1838.
They still lived in Fursenaurweider.

The 1776 Census records Günther families in Ellerwald,
Pletzenort, Reinland, Tiegenhof, Petershagen and Heubuden.

I wish to find where Gerhard and Barbara were born and
trace them back as far as I can. ~~C. Henry Smith~~ Gustav
Reimer relates the Panzig Mennonite book of 1685 listing Günther.

I am also trying to learn the Günther road to Prussia.
C. Henry Smith says the Guntlers which are Mennonite came from
Switzerland. So maybe they came through Moravia or another
way. I am researching this also. I plan a trip to
Wendhof Mennonitische Forschungsstelle maybe next week.

Can you give me any information or help me in this research?
I hope to hear from you if you have time and could help me.
Thank you and Aloha. Robert Guenther.
