Further information about
Maria Faust 1846 from page 1

Maria Faust was married on 20-3-1855
to Heinrich Wiebe ^{b. in Pordenau.} 7-10-1822 -
9-4-1866.

Her parents were Johann Faust II
who died in 1853 and Margaretha
Janzgen. Her grandparents were
Johann Faust I and Margarethe Reimer

The Heinrich Wiebe (1822-1866)

was a full brother of my great
Grandmother Helena Wiebe von Riesen.

I am of the opinion that if there is any connection between

the families it might come from Catharina Wiebe Jan 2, 1756 - July 11, 1788.

She is a daughter of Heinrich Wiebe 1709-1781 and Anna Wiebe Bieg 1727-1786.

Helene Neufeld 1783-1876, from Fürstenaussels, W.P. (Sp?)

Catharina Wiebe 1709-1781

She had a daughter ~~Margaretha~~ Agneta Andreas

Catharina also had one brother Heinrich Wiebe (1753-1829)

born in Klein Montan. See pages 1A - 1E of my Wiebe family (if you see them)
