

Ewert - Dirks Genealogy

Wilhelm Ewert - 1829-1887 and his wife, Anna Janz - 1827-1887 were the first of our immediate family to come to the United States. They came to Hillsboro, Kansas, with their six living children in 1874. Wilhelm had been a member of the committee of twelve who came to investigate the land in 1873. He represented the West Prussian Mennonites.

He was born at Nessau near Thorn, W.P. This is now Torun, Poland, (I believe).

The pages that follow represent what I have been able to compile about the ancestors and the descendants of Wilhelm Ewert 1829-1887 and Anna Janz Ewert 1827-1887.
